Cremation services

Where respect meets practicality

Supporting you to make informed decisions

Guiding you through the process of cremation planning with compassion. At Earth Direct Cremation, we understand the importance of this moment and strive to make it as smooth as possible with a simple process, professional advice and sustainable offerings. Our services are tailored to support those dealing with the immediate aftermath of a loved one's passing, offering no-nonsense guidance and unparalleled support.

- Transparent pricing ensures you know exactly what to expect
- Environmental and sustainable farewell
- Expertise, making the entire process seamless

Navigating the journey together

Discover the step-by-step journey with Earth Direct Cremation, from your initial inquiry to the return of ashes. Our commitment to a carbon-positive impact is integral to every farewell.

No-hidden-cost cremation-only service

In a world of industrialised and overpriced funerals, Earth Direct Cremation sets itself apart. We skip unnecessary extras, focusing on eco-friendly cremations that leave the world in a better place. With fixed, transparent prices, our service is genuine, affordable, and environmentally conscious.

Step 1

Arrangements made online or by phone.

Step 2

Collection of your loved one at their place of passing.

Step 3

Management of death registration & certificates.

Step 4

We return your loved one's ashes to you.

Step 5

Honour your carbon-positive farewell wish.

Planning a Cremation

At Earth Direct Cremation, we understand the importance of this moment and strive to make it as smooth as possible with a simple process, expert guidance and a sustainable offering.

Farewell Package

\$2,495 inc GST

At \$2,495 including GST our service includes everything necessary to organise a no-service cremation in Adelaide, Melbourne and South East Queensland including;

- ✓ Transfer of the deceased
- ✓ Transporter eco-casket (93% recycled cardboard)
- ✓ Mortuary accommodation and care
- ✓ Registration of the death and an official copy of the Death Certificate
- ✓ Cost of the cremation and necessary documentation
- ✓ Return of the cremated remains (ashes) via Courier Services
- ✓ Carbon positive offset using Federal Government approved Australian Carbon Credit Units (ACCUs). For every tonne of carbon generated in providing our services, we offset two tonnes and via partnerships with restoration and sustainability programs.

If you are in need of financial assistance, please contact us.

Transparent Pricing

Our transparent approach to pricing means you only pay for what you need. We offer Direct Transfer and Credit Card payment options to make it as easy as possible for you to finalise arrangements.

Frequently Asked Questions

Read our top questions below or visit our website FAQ page for more

How do I make arrangements?

Simply contact us by phone, email or website enquiry form and one of our supportive staff will guide you through the necessary steps to plan a farewell.

What is the process for transportation and care of the deceased?

We collect your loved one at their place of passing, ensuring dignified and secure transportation, with utmost care throughout the process.

Can I get a breakdown of the costs and payment process?

Our transparent pricing includes all necessary services. You can view our pricing details on our website, and our team is available to assist you to understand the costs and payment options.

How are the ashes returned to me?

Once the cremation process is complete, we carefully return your loved one's ashes to you, ensuring a respectful and timely delivery.

What is the carbon impact of the cremation process?

Every cremation uses fossil fuels and generates atmospheric carbon emissions. Fees charged by traditional service providers do not compensate for the environmental cost. At Earth Direct Cremation we invest at least 10 times the carbon footprint of the service provided into bio-diverse plantings of native flora and related environmental restoration programs. It's this final step that sets our services apart.
